Fixtures...

The eagerly awaited Evo-Stik Division One South fixtures have been released, and the news is the 2013/14 season kicks off with a trip to our great friends from the Staffordshire Moorlands, an away game versus Leek Town.

All the fixtures are listed below, and will appear on the fixtures and results page later today, with plenty of highlights to pick out. Sadly, the much anticipated trip to the seaside has landed midweek, with the away game at newly promoted Scarborough Athletic being played on Tuesday September 10th.

Other highlights to pick out include the now traditional seasonal fixtures against Belper Town, with the Nailers hosting the Boxing Day fixture, and Club the reverse fixture - and final home game of the season - on Easter Monday. The season ends for Sheffield with a trip to Kidsgrove Athletic, when it will be hoped to be a party atmosphere, with Ian Whitehorne's men celebrating a great season.

Season Tickets are on sale from the Club Shop from this evening, priced £100 adults, and £50 concessions, great value and the cheapest season ticket in the league.
